

PATRICK CAMPBELL

Assistant Technical Director

Patrick first auditioned here back in 1997 and started as a part time carpenter in that same year. He has performed many roles over the years (Production Manager, Company Manager, Director, Stage Management, Scenic and Props Design) for many theatres here in town (Aurora Theatre, Synchronicity Performance Group, 7 Stages, GMT Productions, Village Playhouses of Roswell.) His puppets and props for 7 Stages production of "The Chairs" were featured at the Singapore International Theatre Festival. Before coming back to the Horizon, he was the Theatrical Project Manager for the Aurora Theatre's move from Duluth, GA to a brand new multi-million dollar facility in Lawrenceville, GA in 2007. Patrick has also performed onstage with the Alliance Theatre, New American Shakespeare Tavern, Aurora Theatre, LaGrange Ballet, Bacchus Productions, and countless amusement parks across the country with West Texas Productions doing comedy gunfight and stunt shows. He has an A.F.A from Young Harris College and a B.A from LaGrange College in Theatre Arts. He also has a lovely wife Susan (who designed props here back in 1998) and two rockin' kids, Tyler and Zachary. Patrick wishes to thank you, our patrons, for supporting the arts here in Atlanta.
